

Professionals need details

booksinprint.com—
built for you and your
professional needs.

Benefit from built-in
communication tools,
professional reviews,
and new media mentions.

LIBRARIANS Expert tools speed workflow for collection development and acquisition. Create Lists of titles (with title details) on any topic for any use. Avoid re-keying by e-mailing or downloading title information in an order-ready format for your acquisition system. Check stock availability from more than 20 vendors.

BOOKSTORES Improve customer service! Locate hard-to-find titles and order instantly. Booksinprint.com provides real-time stock availability from more than 20 vendors for active as well as rare and hard-to-find titles, plus on-demand distribution through BookSurge. Access every option through booksinprint.com, and use order download for title information in a POS-friendly format.

PUBLISHERS Be more competitive and more profitable. With thorough searching by awards, bestseller lists, and review sources, you can target new trends and watch your competition. You can also use booksinprint.com to track your own titles, especially if you have acquired titles and need previous edition information for front matter. For new product development—quickly check to see if a title has been used; read reviews of a proposed author's previous works.
